### ADDITIONAL INFORMATION

I play sports regularly, read a lot,  
play chess

"Business is a combination of war and sports" ,that's my motto for the last 15 years. I have work experience in highly competitive environment, in a time-limited and changing project requirements. I'm a stressful, communicable and active member of the team. Learning and applying new skills quickly. I always help other members of the collective ,but and I don't refuse help.

Ready for experience work as an intern. Open to relocation
